SOUTH CAROLINA STATE DOCUMENTS
CLASSIFICATION SYSTEM

Written and Published by
South Carolina State Library
Columbia, South Carolina
1986

PREFACE

The classification system for South Carolina state documents was devised by the State Library in 1970 and revised in 1982. It is based on a combination of the system devised by Raynard Swank for international, state, county, and municipal documents and the Documents Office Classification for federal documents.

Utilizing letters and numbers, the state documents classification system provides an alphabetic by agency arrangement with form division numbers for type of publication. Individual publications are denoted by year of coverage or by Cutter number.

The 3-figure Cutter table is used to identify agencies; a simplified Cutter table devised for Florida documents is used for individual publications. For in-state regional, county, and municipality studies, a geographic expansion code is used which is similar to a Cutter number.

A DEFINITION OF STATE DOCUMENT

State document is defined to include any document, compilation, journal, law, resolution, manual, statute, code, register, pamphlet, list, book, report, memorandum, hearing, legislative bill, leaflet, order, regulation, directory, periodical, or magazine issued and/or prepared by the State, the General Assembly, constitutional officers, or any department, commission, or other agency thereof or prepared for the State by private individual or organization and issued in print, and "print" is defined to include all forms of duplicating other than by the use of carbon paper.

A qualification to the above definition is excluding from State documents any regional, county or local study done by or for a private or local agency, when the only State involvement was funneling Federal money to the region, county or city.

The four digits of the year will then follow on the 3rd line.

- (3) An extra session will be indicated by adding an "x" to the session number (e.g. 99-2x).

b. Form division 8

For all committee reports issued annually covering the committee's activities, the form division 8 will be followed by the last three digits of the year of publication. For other committee publications, excluding hearings, the form division will be followed by a simplified Cutter number taken from the subject of the publication. Subcommittee reports will be indicated by Sub.-1 on the third line.

c. Form division 9

Form division 9 will be used only for hearings and will be followed by a simplified Cutter number for the subject of the hearing. When necessary, location of the hearing will follow the Cutter number. Location designation will be based on Cities and Towns symbols devised by the State Library. (See p. 8). The date of the hearing will be given on the 3rd line if necessary.

C. Designation of collected departmental reports (Reports and Resolutions)

1. First line
2. Second line

e.g. A9 for v.2 of 1974 Reports and Resolutions
 1.974
 v.2

III. Elective offices, state departments, independent commissions, and special committees, commissions, or conferences appointed by the governor or legislature.

A. First line

1. Indicate agency by Cuttering significant word in name by 3-figure Cutter table.

e.g. Ae825 Aeronautics Commission

2. Subdivisions of agency departments are indicated by adding one capital letter to the department symbol. If necessary, small letters(s) may be added to distinguish one subdivision from another.

e.g. Ed8332I Office of Instruction in Department of Education

B8595Res Division of Research and Statistical Services in the State Budget and Control Board

3. Lesser subdivisions are indicated by a second capital letter.

e.g. B8595ResG Geological Survey under the Division of Research and Statistical Services in the State Budget and Control Board

B. Second line

1. Indicate type of publication by form numbers given below:

- | | |

If the form division is:

- a. 1 -- follow with a three-digit code for the final year of the report

e.g. L6165 S.C. State Library. Report,
 1.981 1980/81.

- b. 2, 4, 7, 8, 9 -- follow with Simplified Cutter number for distinctive word in title (preferably subject).

e.g. G7461Ec S.C. Office of the Governor.
 2.H31 Division of Economic Opportunity.
 HEAP, home energy assistance
 program.

A second publication, entitled Operations Manual...
HEAP would be: G7461Ec
 2.H31-2

- c. 3 -- follow with Simplified Cutter number for distinctive word in the series title (preferably subject).

e.g. H5386 S.C. Department of Highways and Public
 3.A22 Transportation. South Carolina traffic
 accidents.

- d. 5 or 6 -- For publications applicable to (or by the authority of) an entire department or agency, follow the method which will keep like rules, regulations, or laws together on the shelf in logical sequence.

- (1) In the case where laws or regulations are issued by year, follow the form number by the 3-digit code for the year.

e.g. Ele255 S.C. Election Commission.
 5.980 Registration and election
 laws of South Carolina. 1980.

- (2) For those publications on a specific subject, or those not applicable to or by the authority of the department or agency as a whole, follow with a Simplified Cutter number for distinctive word (preferably subject) in title.

 regulations, 1979/80.

- (3) In the case where laws or regulations are issued separately with a distinctive numbering system, use the form number 5 or 6 followed by a Cutter number for the title of the set. The number of the law or regulation is on the third line, any change numbers to the regulation on the fourth line and the date on the last line.

e.g.	Ad495	S.C. Adjutant General's Office
	6.R33	Regulations
	no.40-3	no.40-3
	C1	Change 1
	970/10/8	8 Oct. 1970

[In filing and shelving, the 5 or 6 with the three-digit code for year comes before the 5 or 6 with a Simplified Cutter number]

4. Separates (i.e. publications lifted from a larger work and issued separately) are classified like their parent publications and followed by an accession letter (lower case). This type of publication is rare.

e.g.	Ae825	Separate from 1969 Annual Report of
	1.969a	Aeronautics Commission

C. Third line

1. Further identification of individual publications is as follows:

- a. 2, 4, 7, 8, 9 -- indicate new edition or revision of publication with four digits of year published, adding month and date if necessary. For coverage of past time period, use last year given; for coverage of an upcoming time period, use first year given; for a span of years, use both.

e.g.	Ed8332	S.C. State Dept. of Education. List of
	2.L41	sources selection: library materials...
	1980	3rd ed., 1980.

	Ed8332	S.C. State Dept. of Education.

	no.611	Revised 1980.
	1980	

2. Whole series number

e.g. W7375Li Winthrop College. Dacus Library.
 3.D12 Dacus focus. no. 15, 1981.
 no.15

3. Volume and issue number

e.g. L6165 S.C. State Library. News for

e.g. So135 S.C. Dept. of Social Services.
 3.T47 Title XX: comprehensive
 1979 annual services program plan.

c. 5 or 6 -- See III. B. 3.d.(2) and (3)

2. Indexes are given inclusive numbers of coverage with the word
"Index" on the last line, thus filing at the end of the material
indexed.

3. Supplements to publications are noted as:

a. For dated supplements, the 3 digits of the year will follow
sup.

e.g. sup. 980

b. For undated supplements, add sup. 1, sup. 2, etc.

c. Parts, addenda, etc. will be pt. 1, ad. 1, etc.
